"LIGHTS CAMERA ACTION"

The 1986-87 school year was a prevailing year for the IHS Drama Club. The two plays put on this year were "Brother Goose" and "Bonechiller." Every person in Drama Club made these plays a success by their hard work and dedication, especially our departing seniors Randy C., Kathy S., and Donna N. who taught us all a great deal from their experience in previous plays. We would also like to thank those that participated in the prospering of these plays. A very special thank you from all of us to our director Al Keefer for all of his patience, hard work and understanding.

So far this year our High School Bowl Team has had a successful season. In the first round we recovered from a first half deficit to defeat Negaunee, 180-150. In the second round we beat Westwood by a 240-115 margin. The members of this year's team are: Carl Darden, captain; Paul Lehto, David Koski, and Andy Lehto. The alternates are: Brad Greenlee, Randy Claussen. Other members are: Geoff Greenlee, Jason Dulany, and John Vukelich. We are hoping to win in the third round and advance to the Quarter Finals, the farthest we've gotten in the seven years of competition. We would like to thank our coach, Mr. Manchester, for his hard work and dedication. We would like to wish the departing seniors good luck in their future endeavors. We wish next year's team the same success we've worked hard to achieve.

SUCCESS IN SPEAKING

The 1986 Forensics team ranged in a variety of talents from dramatic duos to radio broadcasting. Our team, of 13 members, started competition at the District tournament, held at WHS. Jamuna Swamy, Jill Heikkila, and myself placed and went on to the Regional tournament, held at MSHS. After 8 hours of competition the winners were announced, I qualified for State competition, to be held at U of M in Ann Arbor. Although, I didn't place, I had a great time. This was Miss D's last year as coach and I'm sure I can speak for all of us when I say "Thanks for all your help, encouragement, and support."

MERRY CHRISTMAS SENIORS!

This year the Senior class added another activity to their year by having an all Senior Class Christmas Party. The party was held at Jamuna Swamy's house and food was provided by various Seniors. Big Dollar donated pop and Mrs. Gaboury made a beautiful Christmas Cake. Entertainment for the evening was provided by Mr. Ryan who made a video tape from pictures donated by class members. The party was extremely successful and rumor has it that the class of 1988 may follow in our footsteps.

This year's team consisted of 25 players, with only 9 returning lettermen from last years team. Our record of 1-8 didn't show how much fun we had through the season. Our biggest thrill of the year was during the Gwinn game, where a bench brawl broke out. Myself and the team would like to thank our newly appointed coach Brian Sarvello and his assistant, Ed Marietti for all the help and support through the season. It was fun!

The J.V. Football Team would like to thank Coach Matson and assistant coach, John Burke for a winning year. We were also greatful for the support we were given by the fans and especially the cheerleaders.

Our record was 5-4. The most exciting game was beating Westwood, 12-7. We also had a close game with Munising, which we lost, 12-10.

FROSH FOOTBALL " TWISTS AND SHOUTS"

Our season stated out on a good note beating Gwinn 56-6. We went on to win all 7 of our games, and outscoring our opponents 256-32 with 2 shut-outs. The highlights of the season were beating undefeated Westwood 30-6 and shutting-out undefeated Neguanee 36-0. We also beat another undefeated team; Munising 40-8. We could never have been as successful as we were if we didn't put 110% into every game. Everyone worked as a team, and helped each other out. The best thing of all about our season was the coaches. We had hard practices, but the coaches made them fun. Our coaches did a great job with the team this year.

Standing, L to R: J. Durocher, J. Heikkila, D. Ogea, L. Morcom, Manager, Coach Ogea. Sitting: B. Clancy, S. Jarvi, R. Bal.

This year's cross-country team consisted of eigh boys and six girls. The team faired well, seeing we were under a first year coach, Pierre Ogea. The team started off slowly, but we seemed to peak a the right time. The boys won the WIN (Westwood Ishpeming, Negaunee) meet, were the runners-up in the conference, and placed fourth in the U.P.'s The boys' team is losing five boys and unless more boys come out, should have some difficulty next year. The girls had a good season. With everyone returning, they should have an even better season next year. We would like to thank our coach, Pierre Ogea, for all his patience and encouragement.

The Varsity Girls' Basketball Team this year consisted of 5 seniors and 6 juniors. Our season wasn't as successful as we had hoped. Our record overall was 8-12 and 5-9 in the Mid-Peninsula Conference. Our team was a very inconsistent one. Our 2 highlights of the season were beating Gwinn and Norway after having been beaten by them earlier in the season.

We would like to thank Coach Nelson for his patience and support.

The J.V. team had a very successful season. With a lot of hard practice and teamwork, we ended up with a 15-5 record. We once again came close to the conference title, losing it to Iron Mountain by one game. Our highlights of the season were a come from behind win over Westwood, a close, last-minute victory over Negaunee, and our courage to not give up and keep trying if we were behind or having a bad night. At the end of our season, four sophomores were moved up to varsity for the tournaments. We'd like to thank Mr. King, for we couldn't have accomplished all we did without his time and effort. We're all setting high goals for the future; teamwork will make our dreams come true!

The 86-87 I.H.S. Wrestling year was a success. We had every wrestler place in at least one tournament. In the mid-pens, we surprised a lot of people by taking second, placing 11 out of 13 wrestlers. In the U.P.'s, we took 6th place out of 15 teams. Placing for us were Kurt Delongchamp, 1st, Scott LaPointe taking a 2nd, Mike Luke taking a 3rd, Jim Chipman taking 4th and Al Fox taking a 4th, and Jeff Belden taking a 5th. All the departing seniors would like to wish the rest of the team good luck with next year. Gabs, Sam, Rooser, Zombie and Slim

This year's Varsity Basketball Team's record did not show the effort put forth by every individual on the team. We started our season over three times due to injuries all during the season. By the end of the season, we were in full strength for the first time since the third game of the year. The highlight of the season was making it to the final game of the District Tournament, where we lost a close game to Negaunee. We all would like to thank Coach Russo for all his help and time.

Coach Russo,
Good Luck next year!
Co-captains,
Mark Champion

FRESHMEN ACHIEVE A SUCCESSFUL SEASON

We had a successful season this year. We ended up with a 13-1 record, losing our only game to Iron Mountain. We also won two scrimmages: one against Norway and the other against West Iron County.

Our biggest highlight of the season was defeating Iron Mountain the second time around. Other highlights were two wins against Westwood and Negaunee.

We would like to give out thanks to Coach King. He had very good patience with us at practice and his coaching made our season possible. Also we would like to thank the parents and all the other people that supported us through the season.

FOR LORI

Sorrow struck our quiet town one March night,
An auto accident ended Lori's life.
The death was a swift, sudden blow,
Its news brought a sobering effect, a low.
The darkening skies and the howling wind,
Told that they too had lost a friend.
She was happy, living life at its best,
Now she's been taken away to rest.
When we heard we grieved and were filled with sorrow,
Because for Lori there will be no tomorrow.
Tomorrow is the dawning of a brand new day,
But we'll awaken knowing a friend passed away.

— Tod Poirier

THANK YOU FOR BEING A FRIEND

Best Friends, you can't live with them you can't live without them. Sometimes you can't get enough of them and sometimes you can't stand the sight of them. They're the reason you don't study for finals and the reason your phone is always busy. One thing is certain — you can't live without them. The staff of Hematite '87 would like to salute the Senior best friends of IHS. I hope you enjoy this page with us and see how special best friends really are.

CLASS OF 1987

As the high school career of the Class of 1987 approaches its final hours, we would like to take a moment to reflect upon our accomplishments. The class of 1987 is full of talent and promise. In the future we expect great things from each member. When we look back on our high school years, we can seen the mark we left by having the first all senior Christmas Party which was a tremendous success. We can see our style shown in past homecomings and Winter Carnivals. We would like to take this opportunity to thank our advisers, Mrs. Ittner and Mr. Wenzel, for their great patience and guidance over the years. We would like to thank the faculty of IHS for their time and knowledge in preparing us for the challenges of the future.

SENIORS ROCK THE HOUSE!

THANK YOU!!!

The Senior Class want to thank Mrs. Ittner for her great advice, her understanding, her compassion when we're all feeling like we're going nowhere, her encouragement when we're feeling incompetent, her brilliant ideas when we're all stumped and most of all her loyalty to the Class of '87 despite all of our faults. Thank-you Mrs. Ittner, you're the best and we love you!

The Class of '87 also would like to thank Mr. Wenzel for his dedication during all of our trials and triumphs, for all the times he stayed at our float/ice-statue building sights and had patience even though we were all goofing off and for not giving up on us when the got rough. We want to wish you the best retirement ever Mr. Wenzel and thank-you for standing by us.

LIFE'S A BEACH . . .

EDITOR'S THANK YOU

When Miss DeCaire chose me to be Editor of **Hematite** 1987, I was honored. I didn't even think of the hard work, patience, and thought that went into such a responsibility.

I would like to thank the section editors and their staff. I'd like to thank the whole journalism class for putting up with me on deadline days. I would like to thank Dan of Lemon's Studio and Kim Marsh for their excellent pictures. A special recognition to Peggy Nelson, who put so much time, effort, patience, and has been such a great friend for this endeavor.

The very special person I would like to thank is Miss DeCaire for giving me a chance. This meant that you trusted me enough to put together a 168 page yearbook. Thank you so much for a chance to prove myself.

This yearbook would not have been possible if the fine people of Ishpeming hadn't voted for the school millage. Thanks for giving the students of Ishpeming an opportunity.

Good luck to Cris Niemela, who will combine skill and her own personal style to make next year's book a great one.

Thanks again.
